No. 67. OFFICE U. S. COMMISSION, Honolulu, Oct. 12, 1848.

Sir.—I have the honor to acknowledge the resipt of your despatch No. 11, of the 9th inst.,
having demands against him to present them for payment immediately.

J. TOPLIFF. OFFICE U. S. COMMISSION, ? I have, in my aforesaid despatches, expresand any opinion, as to the object had in view, by to California. It was my design, and I hophad made it apparent, to say nothing about im waheet had in view by this Government, or motives which influenced it, in creating that sion. I only desired to express my opinions pecting the propriety of the measure, and the respecting the properties of t be special powers for negotiating a treaty with imme he Government, conferred upon me by my own Honolulu, Oct. 21, 1848.

Had Mr. Shillaber been appointed upon such a mission, while Governor Mason held military ession of Alta California, and previous to priligence being received here of the ratificaat of the treaty of peace between the United sates and Mexico, by which Alta California became a portion of U. In reply to the last paragraph of your aforesaid despatch No. 11, I beg to call your attention to what I have already written to you upon that point, in my No. 62, under date 24 June

I know of no reason why our negotiations may not be resumed, if this Government really have a desire to conclude any treaty arrangements with the Government I have the honor to repre-

FOREIGN OFFICE, ? Oct. 13, 1848. Sir,-I have the honor to acknowledge the recipt of your despatch No. 67, of yesterday, in

reply to my No. 11, persisting in questioning the ropriety of the mission of Mr. Shillaber to the invernor of California. Upon the question of propriety a latitude of

official disavowal.

You, I hope, will the more readily acquiesce when I assure you of the fact, that when the mission was thought of, your presence in Calfornia was calculated upon. Mr. Shillaber was o concert with you there, and call with you upon the Governor, and if you should be absent, in provisional arrangement (not a Treaty) that the Governor might approve of, would have een frankly concerted with you, here, with a ew to its adoption, in a Treaty to be negotiaed here, with you.

All this you could have learned in five minate's talk with me, if in place of addressing me, officially, you had adopted the course of a perand interview. You would have also learned hat my notes to you, though dated the 28th Sepober, were actually written on the 24th, and ead before, and approved of, by the King in ouncil, on the 25th, together with the Instrucons given to Mr. Shillaber himself, and to Cap-
